

Major closure activities will commence following receipt of a CCR permit from ADEM pursuant to r. 335-13-15-.09. Removal of gypsum for beneficial reuse purposes

4.2.10 Groundwater Monitoring

A groundwater monitoring plan was submitted with the original Plant Gorgas Gypsum Pond permit application. Please refer to Appendix 4 of the original permit application.

4.2.11 Operational inspections

Inspections will be conducted by a Qualified Person at intervals not exceeding 7 days to look for appearances of structural weakness and for proper operation of all outlet structures maintained for use during closure. Furthermore, an annual inspection will continue to be conducted by a qualified Prof
